CONSENT TO EMAIL SERVICE

The party signing below hereby consents to receive service of each filing in the above-captioned docket, including each filing made by another party, each filing made by a Commissioner, each Procedural Order, each Recommended Opinion and Order, each Recommended Order, and each Decision, via an email sent to the email address set forth for the party below (the "designated email address"). The party understands and agrees that through the filing of this Consent to Email Service, each representative of the party consents to email service and, thus, that after this Consent to Email Service is approved, no representative of the party will receive service by U.S. Mail unless and until this Consent to Email Service is withdrawn through a subsequent filing.

The party further understands and agrees that each email providing service of a filing may include a link to access the filing online rather than an electronic copy of the filing and, further, that the receipt of such an email may occur either on the date the filing is made or as soon as possible thereafter.

The party certifies that the designated email address is a valid and active email address to which the party has regular and reliable access.

The party further certifies that the party has sent or will promptly send an email to HearingDivisionServicebyEmail@azcc.gov from the designated email address and that such email contained or will contain the docket number for this matter and the party's name.

The party further understands that the party may provide below additional email addresses for individuals to whom the party desires to have service emails sent as a courtesy.

The party understands that a Procedural Order approving the use of email service for the party will be issued in this matter upon verification by the Hearing Division that the party's email to HearingDivisionServicebyEmail@azcc.gov has been received from the designated email address.

The party further understands and agrees that service of a filing on the party shall be complete upon the first of the following to occur: (1) the sending, to the designated email address, of an email containing an electronic copy of the filing or a link to access the filing online; or (2) for a filing made by a Commissioner, the Commission Executive Director, or a Commission Division, the making of the filing with a service certification including coding indicating that an automatic service email for the filing shall be sent to each party whose consent to email service has been approved.

The party further understands and agrees that the party will no longer receive service in this matter through First Class U.S. Mail or another form of hard-copy delivery, unless and until the party withdraws this consent through a filing made in the above-captioned docket.
