Docket Position: For

I am filing my comment in FAVOR FOR Amy Simpson's Docket # WS-02987A-16-0275. Water is a basic human necessity to sustain life, human, plant and animal. Johnson Utilities either needs to reinstate the standpipe that they has come to rely or follow thru with their agreement to install water lines to the property. A parent should not have to worry about whether they will be able to safely obtain water for their family. It is very clear that Johnson Utilities has not followed thru on what they promised and have created extreme hardship on Mrs Simpson and her family. Regards, Mrs Christina Yaeger
