**Subject:** EPCOR unfair subsidy of newer communities

We strongly object to the consolidation of wastewater districts. What is the equity in paying for other communities that frankly have much higher property values than Sun City? You are asking retired people on fixed incomes to subsidize newer wastewater systems in other communities. Sun City has already saved for renovations that will need to be done on our aging system. We urge you to vote no to consolidation (or welfare for newer and wealthier communities). John & Janet Roederer, 18222 99th drive, Sun City, Az. 319-931-2020

As an EPCOR ratepayer and Sun City/Youngtown resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approximately \$25 .00 per month and the consolidated rate would be over \$40.00 per month for our district ratepayers.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur.

We should not be forced to subsidize the other districts.

Dear Mr. Little:

As an EPCOR ratepayer and Sun City Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

Full consolidation puts an overwhelming burden on the citizens of Sun City and Youngtown by overcharging us for costs of infrastructure not yet in service. Rather, our limited income is sent to other communities who simply wish cheaper costs. This is clearly a violation of acceptable ratemaking.

Please vote against full consolidation.

Respectfully submitted,

Dear Mr. Little:

As an EPCOR ratepayer and **Sun City** Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

Current rate payers should bear only legitimate costs of providing service to them by EPCOR. To force us to subsidize other district ratepayers beyond EPCOR's cost to do so is well beyond being just and reasonable and is without justification.

Please vote against full consolidation.

Respectfully submitted,

against full consolidation as  
proposed by EPCOR

DOCKET NO. WSO1303A-16-0145

I am opposed to this proposal and
