Subject: Docket# E-00000J-14-0023 - Please consider the benefits of rooftop solar

Dear Arizona Corporation Commission,

Solar power is our future. It must be promoted and incentivized, not the opposite by taking actions such as dismantling net-metering and adding charges onto solar customers. Get with the future and support every action to expand solar.

Thank you,

Wayne Johnson

Subject: Let's count ALL the benefits of solar! (Docket E-00000J-14-0023)

Dear Arizona Corporation Commission,

Please disregard the self-serving exaggerations of the benefits of solar energy from this source. They are clueless as to the operations of electric utilities and only want to sell more subsidized solar panels.

Mark Wiesinger
