**Subject:** Telecom North America, Inc., Docket No. T-04147A-16-0379, CC&N Cancellation

Telecom North America, Inc. ("Telna") would like to formally request that that under Arizona Administrative Rule R14-2-1107(A)(1), it be granted a waiver from providing direct notice of discontinuance of service to customers and a waiver from R14-2-11 07(B) - publish legal notice of the application in all counties affected by the application. Since Telecom North America, Inc. has no customers, there are no customers to provide direct notice of discontinuance of service to and as there are no customers, no counties are affected by this application. Telna stopped providing service in Arizona approximately February 1, 2016.

Please let me know if you need anything else or have any other questions.

Thank you,
