To Whom It May Concern:

DOCKETED BY 

The Anthem Community Council is an intervenor in the EPCOR wastewater proceeding, docket WS-01303A-16-0145.

We request that the Commission Staff arrange for and notice a meeting requesting all parties to meet to address the following issues in this case:

1. What needs to be done to build a consensus among all the parties for consolidation of all of EPCOR's wastewater districts for rate setting purposes.
2. If/when consensus is reached, then what needs to be done to reach a settlement of the related rate design issues.

We reserve all rights with regard to our position on these issues, but we also believe there are benefits to all parties to follow this approach. We would therefore appreciate prompt attention to this request by Staff and the Commissioners.

Sincerely,

Roger Willis, Vice President

Jenna Kohl, Community Executive Officer
