Dear Mr. Little:

As an EPCOR ratepayer and Sun City Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

Full consolidation puts an overwhelming burden on the citizens of Sun City and Youngtown by overcharging us for costs of infrastructure not yet in service. Rather, our limited income is sent to other communities who simply wish cheaper costs. This is clearly a violation of acceptable ratemaking.

Please vote against full consolidation.

Respectfully submitted,

ARIZONA CORPORATION COMMISSION ADDRESS

Arizona Corporation Commission  
Commissioners Wing  
1200 West Washington  
Phoenix, AZ 85007-2966

As an EPCOR ratepayer and Sun City/Youngtown resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approximately \$25.00 per month and the consolidated rate would be over \$40.00 per month for our district ratepayers.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur.

We should not be forced to subsidize the other districts.

**WE URGE YOU TO VOTE AGAINST FULL CONSOLIDATION**

Current rate payers should not bear only legitimate costs of providing service to them by EPCOR. To force us to subsidize other district ratepayers beyond EPCOR's cost to do business is well beyond being just and reasonable and is without justification.

Mr. Little:

As an EPCOR ratepayer and **Sun City** Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approximately \$25.00/month and the consolidated rate would be over \$40.00/month for our district ratepayers.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur.

We should not be forced to subsidize the other districts. This is the USA after all.

Please "vote against full consolidation"!

Mr. Little:

As an EPCOR ratepayer and **Sun City** Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approximately \$25.00/month and the consolidated rate would be over \$40.00/month for our district ratepayers.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur.

We should not be forced to subsidize the other districts. This is the USA after all.

Please "vote against full consolidation"!

Current rate payers should not bear only legitimate costs of providing service to them by EPCOR. To force us to subsidize other district ratepayers beyond EPCOR's cost to do business is well beyond being just and reasonable and is without justification.

Dear Mr. Little:

As an EPCOR ratepayer and Sun City Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

Full consolidation puts an overwhelming burden on the citizens of Sun City and Youngtown by overcharging us for costs of infrastructure not yet in service. Rather, our limited income is sent to other communities who simply wish cheaper costs. This is clearly a violation of acceptable ratemaking.

Please vote against full consolidation.

Dear Mr. Little:

As an EPCOR ratepayer and Sun City Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

Full consolidation puts an overwhelming burden on the citizens of Sun City and Youngtown by overcharging us for costs of infrastructure not yet in service. Rather, our limited income is sent to other communities who simply wish cheaper costs. This is clearly a violation of acceptable ratemaking.

Please vote against full consolidation.

As an EPCOR ratepayer and Sun City Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approximately \$25.00/month and the consolidated rate would be over \$40.00/month for our district ratepayers.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur.

We should not be forced to subsidize the other districts. This is the USA after all.

EPCOR shows their cost of service for our district is approximately \$25.00/month and the consolidated rate would be over \$40.00/month for our district ratepayers.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur.

We should not be forced to subsidize the other districts. This is the USA after all.

Please "vote against full consolidation"!

Dear Mr. Little:

As an EPCOR ratepayer and Sun City Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

Full consolidation puts an overwhelming burden on the citizens of Sun City and Youngtown by overcharging us for costs of infrastructure not yet in service. Rather, our limited income is sent to other communities who simply wish cheaper costs. This is clearly a violation of acceptable ratemaking.

Please vote against full consolidation.

Respectfully submitted,
