Good afternoon Kay,

The filing for Docket No. T-03574A-16-0432 was opened with a New Application No. but was not marked as a New Application. This can be Administratively Closed with the filing placed in the current open Docket No. T-03574A-16-0345.

This filing is listed as a "tariff" however, it is not a tariff but it is to submit their information for a name change. MCImetro has already submitted their name changed tariffs with Docket No. T-03574A-16-0345 currently open.

Please let me know if you have need of any other information.
