Nature Of Opinion

Docket Number: W-02518A-16-0410 Docket Position: Against

The people of Q Mountain Mobile Home Park are not able to pay for a \$1.6 million loan. Most people talked to said no for this loan. I don't believe, he got 2/3 vote for this loan. Most home owners didn't get all the paper about this loan. If some home owners default it will put too much burden on the rest. If I default a lien can be put on my property. I believe the water problem can be found (water loss) if work was done to find it. The President of the "HOA" is out of control. Homeowners in the development HOA control and water bills are to high for what is offered.
