Re: Docket No. ACC-00000B-17-0062

Dear Commissioners, Parties and Stakeholders:

Yesterday, the Commission voted to adopt Resolution No. 2017-001 which empowers the Chairman to establish Committees of the Corporation Commission. The Committees will examine policy issues of importance to the Commission in an in depth manner and make recommendations to the body of the Commission.

I am pleased to announce the creation of three Committees. The first will be the Committee on Water in which Commissioner Tobin will serve as its Chairman. Commissioner Tobin has proven to be a formidable leader in this area and I am proud to have him spearheading these issues. Water may be the world's most valuable and important resource and I look forward to Commissioner Tobin's continued leadership in this area.

Second will be the Committee on Ethics. Commissioner Dunn will serve as Chairman of this Committee. Commissioner Dunn has had a long history of public service and his experience and commitment to sound legal and ethical principles will serve the Commission and the public well. His recommendations on ethical issues facing the Commission will be greatly appreciated.

Commissioner Dunn will also serve as Chairman of the Committee on Federal Affairs. The Commission regularly has interests and responsibilities that concern federal issues. Commissioner Dunn will be responsible for examining these matters and making suggestions to the Commission.

I am excited to see the progress made by the Commission in these areas. More Committees will be forthcoming.
