IN THE MATTER OF THE APPLICATION OF WALDEN MEADOWS COMMUNITY CO-OP FOR APPROVAL OF AN EMERGENCY RATE INCREASE (Docket No. W-02369A-16-0481)

On December 27, 2016, Walden Meadows Community Co-op ("Walden Meadows" or "Company") filed an application for an emergency rate increase. As stated in that filing the Company has insufficient revenues to continue operating at a compliant level due to outdated rates and rising costs. Further the Company does not have any equipment and/or supplies on hand and no means to purchase said supplies should there be a breakdown or failure, putting service to the Walden Meadows customers at jeopardy.

On December 30, 2016, a procedural order was issued directing the Company to work with Arizona Corporation Commission ("ACC" or "Commission") Staff to prepare the remaining requirements of an emergency application. Walden Meadows met with Staff and with their assistance has prepared the following supplemental information.

Since the Company's original request for emergency funds there has not been any system failures; however, if Walden Meadows is not allowed to recover emergency funds to better position the Company financially, then the Company's inability to be able to respond to and make emergency repairs as necessary may prevent the Company from being able to continue to provide safe and reliable water service. The Company estimates that it will need \$38,533 until such time as a full rate case can be processed and updated rates can be put in place. Included in the Company's estimate are the following:

- \$5,513 to recover 2015 operating losses (see attachment 1)
- \$6,000 to repay a loan made by a board member to stay current on property taxes (see attachment 2)
- \$1,250 to service the well pumps (amount based on a verbal estimate provided to the Company)
- \$264 to purchase two spare meters (per Staff the typical cost for a 5/8 X 3/4 meter including installation is \$132)
- \$7,309 to purchase one 10 HP and one 15 HP spare booster pumps (see attachment 3)
- \$18,192 to purchase various on-site parts and equipment to ensure continued operations (see attachment 4 for a complete list with costs)

Walden Meadows proposes an emergency surcharge of \$9.59 per customer per month. This has been calculated by taking the requested \$38,533 and dividing by the 335 current customers by 12 months, to arrive at the requested per month per customer surcharge amount.

# PUBLIC NOTICE OF THE APPLICATION OF WALDEN MEADOWS COMMUNITY CO-OP FOR AN EMERGENCY RATE INCREASE (DOCKET NO. W-02369A-16-0481)

On December, 27, 2016, Walden Meadows Community Co-op ("Walden Meadows" or "Company") filed with the Arizona Corporation Commission ("Commission") an Application for an emergency rate increase. The Company claims that it is entitled to emergency rate relief because it is currently at risk of not being able to continue operations should a problem occur. The Company estimates that it will need to recover a total of \$38,533 to be able to alleviate the emergency condition, and is requesting authorization to recover this amount in emergency rates by implementing a surcharge in the amount of \$9.59 per customer per month.

The Commission's Utilities Division ("Staff") is in the process of reviewing and analyzing the Application. Neither Staff nor any intervenor(s) has yet made any recommendation regarding the Company's request. The Commission is not bound by the proposals made by the Company, Staff, or any intervenor(s), and the Commission may approve the amount of the request, modify the amount higher or lower, or deny the request.

If you have any questions concerning how the Application may affect your bill or have other substantive questions about the Application, you may contact the Company at Walden Meadows Community Co-op, 9325 Donegal Dr. Ste. A, Wilhoit, AZ, 86332, by calling (928) 442-3473, or via email at waldenmeadows@aol.com.

#### **About Intervention**

The law provides for an open public hearing at which, under appropriate circumstances, interested persons may intervene. An interested person may be granted intervention if the outcome of the case will directly and substantially impact the person, and the person's intervention will not unduly broaden the issues in the case. Intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other parties' witnesses. Intervention is not required if you want to appear at the hearing and provide public comment on the Application, or if you want to file

#### written comments in the record of the case.
