**About Intervention**

The law provides for an open public hearing at which, under appropriate circumstances, interested persons may intervene. An interested person may be granted intervention if the outcome of the case will directly and substantially impact the person, and the person's intervention will not unduly broaden the issues in the case. Intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other parties' witnesses. Intervention is not required if you want to appear at the hearing and provide public comment on the Application, or if you want to file written comments in the record of the case.

To request intervention, you must file an original and 13 hard copies of a written request to intervene with Docket Control, 1200 West Washington, Phoenix, AZ 85007, no later than March 22, 2017. You also must serve a copy of the request to intervene on each party of record on the same day that you file the request to intervene with the Commission. Information about what intervention means, including an explanation of the rights and responsibilities of an intervenor, is available on the Commission's website ([www.azcc.gov](http://www.azcc.gov)) using the "Intervention in Utility Cases" link. The link also includes sample intervention requests.

If you choose to request intervention, your request must contain the fol-

lowing:

1. Your name, address, and telephone number, and the name, address, and telephone number of any person upon whom service of documents is to be made, if not yourself;
2. A reference to Docket No. RR-03639A-17-0020;
3. A short statement explaining:
  - a. Your interest in the proceeding (e.g., a customer of the Railroad, a neighboring property owner, a crossing user, etc.),
  - b. How you will be directly and substantially affected by the outcome of the case, and
  - c. Why your intervention will not unduly broaden the issues in the case;
4. A statement certifying that you have served a copy of the request to intervene on The Railroad or its attorney and all other parties of record in the case; and
5. If you are not represented by an attorney who is an active member of the Arizona State Bar and you are not representing yourself as an individual, sufficient

information and any appropriate documentation to demonstrate compliance with Arizona Supreme Court Rules 31, 38, 39, and 42, as applicable.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before March 22, 2017.
