Customer Notice
BirchNet Services and Features
March 2017**

Applies to POTs Lines and Features for Residential and Business

Over the past several years Birch has worked diligently to reduce costs on your behalf and intentionally delayed passing on increases we have incurred to our Customers. Unfortunately, we must now adjust some of our rates to offset a small portion of our recently increased costs. You will continue to enjoy the same service with the personal attention you deserve at a competitive rate. Your next invoice will reflect a change to our current 12-month contract pricing without any additional term commitment from you. As always, thank you for your business and call 888-772-4724 if you have any questions.
