Nature Of Opinion

Docket Number: W-02168A-17-0042 **Docket Position:** Against

As an employee of Valle Vista Property Owners Association and a homeowner, I have grave concern about the request for another surcharge to be added to our water bills. Since Truxton is required to get approval from the ACC, we ask that consideration be given to terms of a 50/50 surcharge rate as proposed by Truxton in their filing so that VVPOA is not hit with another big surcharge. We ask that the Commissioners and Staff take a careful look at this proposal to be sure that this request is fair and equitable. As the Commission serves to protect the consumer, I am hoping that in their capacity to review, adjust and approve such requests that you will keep the consumer in mind during this process. Thank you.
