Commissioner Forese,

Thank you for your support this morning on consent agenda item #9, the Accipiter (Zona) Communications application to approve financing for the Zona purchase. It was a pleasure working with you and the staff on this application and we at Pinpoint appreciate staff working to expedite this proceeding. I was impressed with the professionalism of your staff and extremely pleased that we were able to handle the application on the Chairman's Consent Agenda.

I will have the responsibility going forward of working on issues such as these with the Arizona Corporation Commission. As a result, I will be spending significant time in Arizona (and am likely to relocate here before the end of the year). If you ever have any questions about Zona or any questions regarding how your counterparts do business in Nebraska, please contact me. I can be reached at this e-mail address or at (402)-432-6512.

Again, thank you for your support during the process and your affirmative vote this morning. They were truly appreciated.
