PUBLIC NOTICE OF HEARING ON
TRUXTON CANYON WATER COMPANY, INC.'S
REQUEST FOR AN EMERGENCY RATE INCREASE
DOCKET NO. W-02168A-17-0042

On February 16, 2017, Truxton Canyon Water Company or Company ("Company") filed with the Arizona Corporation Commission ("Commission") an Application for an emergency rate increase. The Company claims that it is entitled to emergency rate relief because it needs to replace diesel motors powering well and booster pumps with electric power motors and extend electric power to the well site. The Company estimates that it will incur \$248,944 in costs to alleviate the emergency condition. In addition, the Company needs to generate an additional \$92,437 per year to meet the debt service coverage requirement imposed by the prospective lender. The Company is requesting authorization to recover this amount in emergency rates by implementing two monthly surcharges: (1) a loan surcharge in the amount of \$1.27 per customer using a ¾ inch meter; (2) a debt service coverage surcharge in the amount of \$1,078.40 per month applicable to each of the five meters serving the Valley Vista Property Owners Association golf course and \$2.40 per month for all other customers.

The Commission's Utilities Division ("Staff") is in the process of reviewing and analyzing the Application. Neither Staff nor any intervenor(s) has yet made any recommendation regarding the Company's request. The Commission is not bound by the proposals made by the Company, Staff, or any intervenor(s), and the Commission may approve the amount of the request, modify the amount higher or lower, or deny the request.

If you have any questions concerning how the Application may affect your bill or have other substantive questions about the Application, you may contact the Company at: Truxton Canyon Water Company, Inc., 7313 Concho Drive, #2, Kingman, Arizona 86401, 702-256-4006, info@truxtoncanyonwater.com

About Intervention

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Any person or entity entitled by law to intervene and having a direct and substantial interest in the matter will be permitted to intervene. If you wish to intervene, you must file an original and 13 copies of a written motion to intervene with the Commission, and a copy of the motion to the Company or its counsel and to all parties of record. Your motion must contain the following:

1. Your name, address, and telephone number and the name, address and telephone number of any party upon whom service of documents is to be made, if not yourself.
2. A short statement of your interest in the proceeding (e.g., a customer of the Company, etc.).
3. A statement certifying that you have mailed a copy of the motion to intervene to the Company or its counsel and to all parties of record in the case.

If representation by counsel is required by Rule 31 of the Rules of the Arizona Supreme Court, intervention will be conditioned upon the intervenor obtaining counsel to represent

the intervenor. For information about requesting intervention, visit the Commission's website at <http://www.azcc.gov/divisions/utilities/forms/interven.pdf>. The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the application or from filing written comments in the record of the case.
