## DECLARATION OF LYNN DION

Upon penalty perjury, I declare as follows:

1. My name is Lynn Dion. I am over 18 years of age and I am competent to testify in all respects. I have personal knowledge regarding the matters stated in this declaration. If called to testify, I could and would testify consistently with the statements in this declaration.

2. I declare that on behalf of Truxton Canyon Water Company, Inc. ("Company"), on March 7, 2017, I mailed, or caused to be mailed, to each of the Company's customers a copy of the public notice regarding the Company's emergency rate case hearing. The Company also made the procedural order regarding the emergency rate case (*see* Attachment 1) available to the public at the Company's office.

3. The Company could not post the procedural order on the Company's web site because the website was built in 2010 and the person who designed the site could not be located. The hosting site cannot post the procedural order on the website because they did not build the original site. The Company intends to have another web site designer replace the existing website, but this could not be done no sooner than 30 days. Further, the Company does not have the email addresses of its customers, so the procedural order could not be sent to the customers by email.

4. I verify that the foregoing is true and correct.

Dated: March 29, 2017.

  
Lynn Dion
