Docket Position: Against

first off I already have a file open on them for price gouging under my name Nicholas caggiano they have given to me a verbal price to run a water line to my lots the distance is less then a tenth of a mile the price they quoted is 36thousand dollars . that price is a joke .I am a state license plumber 30yrs and it does not cost 36k to run a water line threw dirt and around an existing street less then one tenth of a mile. I have requested a written proposal to summit to your engineering dept, they have been stone walling me for weeks now if you can help with getting the proposal please call them for me next I do not feel there is any need for emergency money or any rate increase when they are charging 36k to do a 5k job I am a valle vista resident. thanx Nicholas caggiano please feel fee to contact me cell <<< REDACTED >>> home <<< REDACTED >>>
