Nature Of Opinion

Docket Number: W-02168A-17-0042 Docket Position: Against

We just had an increase to our water bill not too long ago. Truxton Water co. must not manage their money well. They need to take some responsibility for their own bills. They get paid every month and should have been setting aside for repairs instead just asking for more money everytime that they need to do a repair. These increases will never go off our bills and they will just keep asking for more and more.
