SECTION 5 - LOCAL EXCHANGE SERVICE, (CONT'D.)

5.5 Business and Residential BirchNet Products (T)

5.5.1 BirchNet Basic Line

A. Basic Line: (T)

Unlimited Local, Intra-LATA Long Distance
Caller ID – Name and Number
Call Waiting
Hunting

Toll Free service is available with this product as described in section 7.5.

All customers will be required to sign a 12, 24 or 36 month term agreement. Early Termination Fees are calculated using the following formula: \$100 x Months Remaining. The termination penalty will apply per location on the original contract or any subsequent renewal of the contract.

Customers may accept or decline the feature(s); however, declining the feature(s) will not reduce the package monthly rate. If more features are chosen with the BirchNet Basic Line bundle, standard rates will apply.

The availability of certain features depends on feature availability. Some features are only available to residential customers. Some features are only available to business customers. Additional calling features may be added to the Basic Line.

Current and maximum rates and charges are listed in Section 11.

Caller ID with Name and Number—Caller ID with Name and Number (Caller ID) enables the terminating Customer to identify the calling party by displayed name and/or number before the call is answered. Caller ID Customers must provide and connect their own compatible CPE.

Product may not be available in all areas.

An additional charge will apply when adding Birch Unified Messaging or Voicemail to the line. There is a maximum of 3 extensions per box.
