RE: COLDWATER CANYON WATER COMPANY EMERGENCY RATE CASE
APPLICATION (DOCKET NO. W-01559A-17-0074)

On March 27, 2017, Coldwater Canyon Water Company ("Coldwater Canyon" or "Company") filed an application for emergency rates. On April 6 and May 5, 2017, procedural conferences were held where the parties requested additional time to reevaluate the needs of the Company. The requests were approved both times by the Administrative Law Judge. On May 23, 2017, the Company along with its engineering consultant held a conference call with Staff. As a result of this call, the parties all agreed that the best course of action is to withdraw the emergency rate application and to file rate and financing applications instead. Therefore, the Company is requesting that the emergency docket be administratively closed so that the Company can begin work on rate and financing applications.
