IN THE MATTER OF THE APPLICATION OF
COLDWATER CANYON WATER COMPANY FOR
APPROVAL OF AN EMERGENCY RATE
INCREASE.

DOCKET NO. W-01559A-17-0074

PROCEDURAL ORDER
ADMINISTRATIVELY CLOSING
DOCKET

BY THE COMMISSION:

On March 15, 2017, the Utilities Division (“Staff”) of the Arizona Corporation Commission (“Commission”) filed a request to open this docket to process the forthcoming emergency rate application of Coldwater Canyon Water Company (“Coldwater Canyon” or “Company”).

On March 27, 2017, the Company filed its emergency rate application requesting the implementation of an emergency surcharge to cover the costs of repairing leaks in its only water storage tank. According to the Company, the surcharge is necessary to ensure the continued safe and adequate water service to its 216 customers.

On March 29, 2017, a Procedural Order was issued scheduling a procedural conference to commence on April 6, 2017, to discuss the scheduling of a hearing and other procedural matters.

On April 6, 2017, the procedural conference was convened, as scheduled, with Staff appearing through counsel, and the Company appearing through its president, Mr. Roger Wagner. At that time, Mr. Wagner informed the Commission that repairing the storage tank may no longer be a viable option given the age and condition of the tank. As a result, Mr. Wagner requested additional time to explore other options and file an amended emergency rate application.

Later on April 6, 2017, a Procedural Order was issued scheduling a procedural conference to commence to May 5, 2017, to discuss the status of the Company’s application and other procedural matters.

1 On May 5, 2017, the procedural conference was convened, as scheduled, with Staff appearing
2 through counsel, and the Company appearing through Mr. Wagner. At that time, the parties informed
3 the Commission that further time was needed in order to evaluate the most appropriate course of action
4 for the Company to replace its aging storage tank.

5 Later on May 5, 2017, a Procedural Order was issued scheduling a procedural conference to
6 commence on June 8, 2017, to discuss the status of the Company's application and other procedural
7 matters.

8 On May 30, 2017, the Company filed a request to administratively close this docket. In its
9 filing, the Company states that its best course of action is to withdraw its emergency rate application
10 and file permanent rate and financing applications instead. The Company represents that Staff is in
11 agreement with the Company's request.

12 The Company's request is reasonable under the circumstances and should therefore be granted.

13 IT IS THEREFORE ORDERED that the **procedural conference** scheduled for **June 8, 2017**,
14 is hereby **vacated**.

15 IT IS FURTHER ORDERED that **Docket No. W-01559A-17-0074 is hereby administratively**
16 **closed**.

17 DATED this 31st day of May, 2017.
