Re: UNS Electric, Inc.  
Application for Approval of Revised Rider R - 3 for Net Metered Customers  
Docket No. E-~~04204~~A-17-0090  
04204

On March 31, 2017, UNS Electric, Inc., ("UNS Electric" or "Company") submitted an application for a revised Rider R-3 Market Cost of Comparable Conventional Generation ("MCCCG") Calculation for approval by the Arizona Corporation Commission ("Commission"). Since the filing, UNS Electric has discovered an error in reference to the Decision No. in the cover letter as to when Rider R-3 was last approved. Accordingly, the Decision No. is hereby corrected as follows:.

*Rider R-3 was last approved by the Commision in Decision No. 75595 (June 27, 2016) and sets the MCCCG to be used in conjunction with Rider-4 NM PRS, Net Metering for Certain Partial Requirements Services.*

If you have any questions, please contact me at (520) 884-3680.

Sincerely,

Melissa Morales
