DECISION NO. 76199

ORDER

Open Meeting
July 11 and 12, 2017
Phoenix, Arizona

BY THE COMMISSION:

\* \* \* \* \*

Having considered the entire record herein and being fully advised in the premises, the Arizona Corporation Commission ("Commission") finds, concludes, and orders that:

FINDINGS OF FACT

- 1. On February 19, 1999, the Commission issued Decision No. 61532, granting Network Enhanced Technologies, Inc. ("Network") a Certificate of Convenience and Necessity ("CC&N") to provide competitive interLATA/intraLATA resold telecommunications services, except local exchange services, within the State of Arizona.
2. On May 9, 2017, Network filed an application for approval to cancel its CC&N to provide telecommunications services within the State of Arizona.
3. On June 7, 2017, the Commission's Utilities Division ("Staff") filed a Staff Report recommending approval of Network's application.
4. Staff states that the Commission's Consumer Services Section reported there have been no complaints or opinions filed against Network between January 1, 2014, and May 24, 2017. Further, Staff states that Network filed its 2015 Utilities Annual Report on April 15, 2016, but did not file a 2016 Utilities Annual Report. According to the Commission's Corporations Division, Network is not

1 in Good Standing for failure to file an Annual Corporation Report on February 26, 2017. The  
2 Compliance Section reports that there are no current compliance delinquencies for Network.

3 5. Pursuant to Arizona Administrative Code (“A.A.C.”) R14-2-1107(A)(2),  
4 telecommunications companies are required to provide notice to all affected customers when they  
5 intend to discontinue services. Further, A.A.C. R14-2-1107(B) requires that telecommunications  
6 companies publish legal notice of their intent to discontinue service.

7 6. In its application, Network stated it is no longer providing telecommunication services  
8 or doing business in Arizona and stopped providing service in Arizona by no later than December 1,  
9 2016. Network further stated it has no employees, facilities or assets in Arizona and requests a waiver  
10 of the notice of discontinuance of service to customers.

11 7. Staff recommends the notice and publication requirements contained in A.A.C. R14-2-  
12 1107 be waived.

13 8. Staff further recommends approval of Network’s application to cancel its CC&N and  
14 further recommends cancellation of Network’s tariff on file with the Commission.

15 9. Staff’s recommendations to waive the notice and publication requirements of A.A.C.  
16 R14-2-1107 and to approve Network’s application are reasonable and should be adopted.

### 17 CONCLUSIONS OF LAW

18 1. Network is a public service corporation within the meaning of Article XV of the Arizona  
19 Constitution and A.R.S. §§ 40-281, 40-282 and 40-285.

20 2. The Commission has jurisdiction over Network and the subject matter of the  
21 application.

22 3. The cancellation of Network’s CC&N to provide resold telecommunications services  
23 within the State of Arizona is in the public interest.

24 4. Granting waiver of the notice and publication requirements set forth in A.A.C. R14-2-  
25 1107(A)-(B) is reasonable in this matter.

26 5. Staff’s recommendations are reasonable and should be adopted.
