Dear Arizona Corporate Commission,

The Mohave County Fire Officer's Association supports the Biomass Plan put forth, and submitted to you by member, Andy Tobin, to better manage the fuels of our state's forests and wildland interfaces. By better managing these fuels, it should reduce the state and local resources in the event a wildland fire occurs. For the sake of public safety, having a plan such as this would be much improved over the current situation where there is no plan at all.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in black ink that reads "Theodore P. Martin". The signature is written in a cursive style with a large, prominent loop at the end of the name.

Theodore P. Martin, President
Mohave County Fire Officer's Association
