Nicholas (Nick) S. Ballard and Oasis of Wealth, Inc. ("Respondents") elect to permanently waive any right to a hearing and appeal under Articles 11 and 12 of the Securities Act of Arizona, A.R.S. § 44-1801 *et seq.* ("Securities Act") with respect to this Order To Cease And Desist, Order for Restitution, Order for Administrative Penalties and Consent to Same ("Order"). I.

FINDINGS OF FACT

1. Nicholas (Nick) S. Ballard ("BALLARD") is an individual residing in Maricopa County, Arizona.

1 2. BALLARD transacts business under the name "AZ Gold & Safaris, Inc." ("AZ
2 GOLD"). Pursuant to the records of the Arizona Corporation Commission, Corporations
3 Division, AZ GOLD was organized under the laws of the state of Arizona on November 15, 2007
4 with its principal place of business in Phoenix, Arizona. BALLARD was listed as the sole
5 director and chief executive officer of AZ GOLD. AZ GOLD was administratively dissolved on
6 August 1, 2008 due to the failure to file the affidavit of publication.

7 3. BALLARD transacts business under the trade name "Oasis of Wealth" which was
8 registered with the Arizona Secretary of State on October 18, 2006 and whose last known address is
9 in Phoenix, Arizona. Pursuant to the records of the Arizona Secretary of State, BALLARD is the
10 owner of this trade name.

11 4. BALLARD transacts business under the name "Oasis of Wealth, Inc." ("OASIS").
12 Pursuant to the records of the Arizona Corporation Commission, Corporations Division, OASIS
13 was organized under the laws of the state of Arizona on July 23, 2007 with its principal place of
14 business in Phoenix, Arizona. BALLARD was listed as the sole director of OASIS. OASIS was
15 administratively dissolved on December 30, 2008 due to a delinquent annual report.

16 5. OASIS and BALLARD, individually and doing business as OASIS and/or AZ
17 GOLD, may be referred to as "Respondents." BALLARD shall also mean BALLARD,
18 individually and doing business as OASIS and/or AZ GOLD, as the context so requires.

19 6. Respondents BALLARD and OASIS have internet websites at
20 <http://www.azgoldsafaris.com> and <http://www.oasisofwealth.com>, respectively.

21 7. The Respondents raised a total sum of at least \$43,145 from investors. Respondents
22 will be credited with restitution paid to investors in the amount of \$4,830.

OASIS WEBSITE

1
2 8. OASIS is the registrant of the website <http://www.oasisofwealth.com>. BALLARD is
3 the administrative contact and technical contact for the website <http://www.oasisofwealth.com> and
4 BALLARD also maintains an electronic mail address of nick@oasisofwealth.com.

5 9. OASIS, from about September 2006 until the administrative dissolution on
6 December 30, 2008, distributed information about its products and services and solicited investors,
7 within or from Arizona, through the OASIS website, by telephone, or in electronic mail
8 communications.

9 10. OASIS, from about September 2006 until the administrative dissolution on
10 December 30, 2008, publicly offered and/or sold, within or from Arizona, an unregistered security
11 in the form of an investment contract to at least one investor.

12 11. From December 31, 2008 to January 2009, BALLARD continued to distribute
13 information about the OASIS products and services and solicited investors, within of from
14 Arizona, through the OASIS website or in electronic mail communications.

15 12. In addition, from December 31, 2008 to January 2009, BALLARD continued to
16 publicly offer and/or sell, within or from Arizona, an unregistered security in the form of an
17 investment contract to at least one Potential Arizona Investor ("PAI") and/or investor.

18 13. The OASIS website at <http://www.oasisofwealth.com> solicited the general public
19 for investment by providing on its website, among other things, as follows:

20
21 "We are focusing 100% of our efforts toward the gold mine! We know there is gold, we
22 have gotten it to this point and now is the time we open it to you as an opportunity to make
23 money with us. No more memberships will be sold for the next quarter."

24
25 "[...] We want you as a partner we are selling portions of AZ Gold & Safaris Inc. to
26 maintain operations for the next year. [...]."

1 14. The OASIS website at <http://www.oasisofwealth.com> was still available on the
2 internet, as of January 6, 2009 for all internet users to view the investment solicitation and
3 investment description, without password protection or restricted access.

4 15. The OASIS website homepage stated that OASIS was established in 2005; however
5 pursuant to public records of the Commission, OASIS was formed on or about July 19, 2007 in
6 Arizona.

7 16. BALLARD represented to investors that OASIS was an investment company set up
8 by him and that OASIS invested in various investment opportunities ranging from real estate
9 investments in the Bahamas to gold mining ventures in Arizona and California.

10 17. BALLARD represented to certain investors that their investments in real estate
11 located in the Bahamas would obtain returns of approximately ten percent (10%) to fifteen percent
12 (15%); however, BALLARD emphasized investment opportunities regarding gold mining
13 operations.

14 18. Investors were passive and did not receive any information detailing the location of
15 the real estate, did not receive a detailed description of the investment transaction, nor were they
16 consulted on what investment opportunities their dollars would be allocated towards. Investors
17 were also told that their monies would be pooled by OASIS, invested in the various investment
18 opportunities, and that their returns would be generated from the various investment transactions.

19
20 AZ GOLD WEBSITE

21 19. From at least October 22, 2008 to January 2009, BALLARD publicly offered and/or
22 sold, within or from Arizona, an unregistered security in the form of an investment contract, to at
23 least one PAI and/or investor.

24 20. BALLARD distributed information about investment opportunities and solicited
25 investors in Arizona through the AZ GOLD website or in electronic mail communications.
26

1 21. BALLARD is the registrant, administrative contact and technical contact for the
2 website <http://www.azgoldsafaris.com>.

3 22. From at least October 22, 2008 to January 2009, BALLARD solicited the general
4 public by providing on the AZ GOLD website under an Investment frame¹, among other things, as
5 follows:

6 **“Investments**

7 We are raising additional capital to expand our current operation. **We are**
8 **selling silent partnerships in the company to accomplish this task.** **Shares in AZ Gold & Safaris Inc. are available at \$25 per share** and can
9 be purchased by calling our office (1-800-401-0052) or by requesting more
information on this site.” *(Errors in original, emphasis added)*

10 23. The AZ GOLD website at <http://www.azgoldsafaris.com> was still available on the
11 internet without password protection or restricted access, as of January 6, 2009, for all internet
12 users to view the investment solicitation and investment description.

13 24. The AZ GOLD website solicitation is specifically directed to persons in Arizona.
14 The AZ GOLD Investment frame allows persons to request information and contains a drop-down
15 menu for the state field, whereby Arizona is listed in alphabetical order on the drop-down menu of
16 state names.

17 25. The AZ GOLD homepage² states that AZ GOLD currently has four (4) sites that it
18 has mineral rights to and the ability to mine an abundance of state land that will not require a
19 mineral rights license or permit, for the equipment it employs. No detailed description or location
20 of the four sites are disclosed or listed.

21 26. However, pursuant to the public records of the Arizona State Land Database and the
22 Department of the Interior Bureau of Land Management, Mining Claims, AZ GOLD does not and
23 has not possessed any state or federal mining claims in Arizona in the name of AZ GOLD.

24
25
26 ¹ <http://www.azgoldsafaris.com/Investments.php>

² http://www.azgoldsafaris.com/Home_Page.php

1 BALLARD stated that “[t]his boils down to processing more material therefore producing more
2 gold and revenue.”

3 34. The OASIS website homepage also featured a scrolling banner that stated:

4 “Amazing returns for even the smallest investor. We do Everything!”
5

6 35. BALLARD stated that he would provide the following services to or on behalf of
7 investors:

8 a) Experience and expertise in prospecting for the right location for the project
9 and future projects;

10 b) Filing and obtaining mineral rights or mining claims for the site;

11 c) Operating the gold mining site;

12 d) Marketing and operating the jeep tours and safaris to generate or increase
13 revenue; and

14 e) Determining how any and all investment funds would be spent or allocated.

15 36. BALLARD communicated that money will be made from the raw gold that is mined
16 and sold and from the sale of sluice as pay dirt. In addition, a percentage of profits made from jeep
17 safari tours to the gold mine will be distributed to investors as an additional source of income.

18 37. Investor returns would be based on the following payout schedule:

19 a) Five percent (5%) immediate payout in raw gold;

20 b) A percentage of the amount of gold that is produced by the operation paid
21 out at the end of the quarter or year; and

22 c) A percentage of the amount of revenue created by the jeep tours and safaris
23 paid out at the end of the year.

24 38. BALLARD stated that “[m]ining consists of multiple locations.” However, pursuant
25 to the public records of the Arizona State Land Database and the Department of the Interior Bureau
26 of Land Management, Mining Claims, BALLARD has only one (1) federal claim in Arizona,

1 placer gold claim AMC # 386086, filed in Arizona for one (1) site in Yavapai County in the name
2 of OASIS but zero state claims in Arizona.

3 39. BALLARD also offered a PAI an incentive to invest right away with a ten percent
4 (10%) stock bonus program, wherein the PAI would be given an extra ten percent (10%) of total
5 stock shares the PAI purchased in AZ GOLD.

6 40. BALLARD represented that a PAI or investor who secured additional investments
7 or monies from third parties, would be compensated.

8 41. BALLARD stated to a PAI that the evidence of investment would be in the form of
9 a stock certificate in AZ GOLD; however, BALLARD failed to disclose to the PAI that AZ GOLD
10 is a defunct Arizona corporation.

11 42. BALLARD represented to a PAI that investor funds would generally be used toward
12 the purchase of mining equipment, labor or maintenance to operate the mine operation. However,
13 Respondent(s) failed to provide to the PAI and/or investor salient financial and/or background
14 information about the companies and/or individuals offering the investment opportunities being
15 promoted regarding AZ GOLD and/or OASIS, including but not limited to, costs of operation and/or
16 full details of Respondents' background and experience in gold mining operations.

17 43. Respondents failed to disclose the material risks associated with the investment(s) in
18 AZ GOLD and/or OASIS, including but not limited to, the fact that an investor could lose all or a
19 large portion of their principal investment. Neither the websites nor the electronic mail
20 communications to all PAIs and/or investors disclosed any material risks associated with the
21 investments in AZ GOLD and/or OASIS.

22 44. At all times relevant, BALLARD was not a registered salesman or registered dealer
23 and OASIS was not a registered dealer.

19 investors:

20 IT IS ORDERED, pursuant to A.R.S. § 44-2032, that Respondents, and any of

17 administrative penalties shall be subordinate to any restitution obligations ordered herein and shall
18 become immediately due and payable only after restitution payments have been paid in full or
