LETTER OF SUFFICIENCY

Dear Ms. Olsen:

This letter (per section R14-2-103.B.7 of the Arizona Administrative Code) is to inform you that your application, originally received on May 31, 2012, has now met the sufficiency requirements as outlined in Arizona Administrative Code R14-2-103. Your utility has been classified as Class D.

The normal time frame for issuing a Staff Report in this case would indicate a filing date of 01/16/2013, and a decision by 05/01/2013. However, the Administrative Law Judge assigned to this case has already indicated that there will be a hearing on this case and three other related financing requests that have already been consolidated. A subsequently issued procedural order will affirm or alter these dates and other filing requirements and set a hearing date.

The Staff person assigned to your application is Gerald Becker. He can be reached at (602) 542-0831, or toll free at (800) 222-7000, if you have any questions or concerns.

Sincerely,
