**ANDY TOBIN'S PROPOSED AMENDMENT NO. 4**

TIME/DATE PREPARED: 3/12/2018

COMPANY: Arizona Corporation Commission

AGENDA ITEM NO.: 22

DOCKET NO.: E-00000V-15-0094

OPEN MEETING DATE: 3/13/2018

In an effort to protect ratepayers from potential unnecessary capital improvements in the near future and stranded asset costs in the long-term, this amendment places a temporary moratorium on new natural gas infrastructure pending Commission review and approval on a case by case basis.

**Page 49, Line 24 – INSERT New Ordering Paragraph:**

“IT IS FURTHER ORDERED that a Load Serving Entity may not procure by purchase, acquisition, or construction a generating facility of natural gas energy of 150 MW of capacity or more unless all of the following conditions are met: (a) all ordering paragraphs, conditions, and additional compliance items required by this Decision have been fully satisfied, as determined by a future order of the Commission; (b) the Load Serving Entity has conducted an independent analysis comparing the present and future costs between the specific natural gas procurement and alternative energy storage options and Staff reviewed that analysis; and (c) the Load Serving Entity filed a petition under R14-2-704(E) that seeks approval for the specific procurement, and the Commission approved the petition. This ordering paragraph and the requirements it establishes shall expire automatically on January 1, 2019.
